LIBRARY CARD POLICY

To apply for a library card, **you must:**

- Have a valid photo I.D.
- Have proof of address (within the area served by the library)

The cost of a new card is 50¢. If you have had card with another library within the last 5 years, and you cannot find that card, the cost of a replacement card is \$3.50.

Your card will be **mailed to your address** and should arrive within 1-2 weeks after you have applied. Mailing the card verifies the address you have provided.

Because presentation of your card is necessary to check items out, **you must wait until you receive your card** to check anything out.

Only the person whose name is on the card may use that card due to privacy laws.
