**OLD BUSINESS**

**2014 Budget** - proposal submitted by Greg. This proposed budget shows reductions in the areas of Equipment expense & repair, Furnishings & Supplies, Books, Audio/Visual, Postage & Delivery, Rent, Repair & Maintenance, Professional Education, Consulting, and Travel & Mileage. The budget also reflects an increase in Publicity, and Utilities. These variances are in preparation for our move to the new library in 2014.

Greg's review next year will be in November to coincide with the budget planning.

Discussion ensued regarding increase in utilities.

Motion to adopt budget as proposed by the Director, made by Bob and seconded by Ron all in favor – motion carried.

**2014 Board Officers** - Nomination committee members Stiano and Melchionne.

A Melchionne-Stiano motion was made to accept Mildred as secretary and keep all other Board positions as they are currently was carried unanimously.

**Fund raising:**

Several members of the Board and the Director met with the Phil Coombe, who headed the fund raising efforts for Grahamsville’s Daniel Pierce Library, which is an Association Library meaning that it may receive funds from different sources but cannot bond. Barbara gave a brilliant description of the new library and how they had to fund raise almost ten million dollars. Their library district serves less people then our district.

Barbara spoke to Michael Diamond Foundation person and things are in the works for us to receive a donation from them.

Discussion was held regarding our need to implement a Citizen Committee to handle some of our upcoming fund raising needs. Greg reported that we have had a \$5,000 donation to the building fund and indications of additional gifts.

Discussion was held in regard ways to have people to donate or invest in the library & community.

Possible suggestions were: Hold a reception in the library community room for a select group of people (possible large donors). Have a scale model of the new library and a pledge sheet for them to use.

Terry suggested that Sullivan County Arts and Heritage Council may have money to give to the library.

Ron will make a thermometer to gauge our money intake. He is also working on a scale model.

**New Building – alternatives for reductions**

Greg presented the following:

Currently as the costs stands for the new library we have a short fall of approximately \$181,000 (according to Fred Clark – DASNY) which we need to raise by mid-January 2014. There are two courses of action available to us at this time which Greg discussed with Mary Kate Young  
Course #1: we accept the bid from Arras as is and go with the 180,000 short fall.

Course #2 Mary Kate submitted some cost saving measures which would allow us to cut items from the Project Budget. Some of these items are things that might be obtained by donations at a later date. Below is the list:

**Cost Savings Measure**

Item #1	Delete dry wells & Associated storm water piping	\$2,000.00
Item #2	Delete synthetic stone & delete stone coating and replace with factory painting	\$5-10,000
Item #3	Change fixed aluminum clad wood windows to operable double hung	\$6,000
Item #4	Change fixed aluminum clad wood windows to fiberglass Single hung windows	\$8,000
Item #5	Change side egress door from aluminum clad wood to Aluminum storefront	\$1,500
Item #6	Delete automatic door operators	\$2,600
Item #7	Delete skylights	\$10-15,000
Item #8	Delete cabinetry in staff work room	\$5,000

Item #10	Delete side folding door	\$2,000

Item #11	Change double book return to a single book return	\$1,000
Item #12	Delete additional electric floor boxes in concrete slab	\$1,000
Item #13	Eliminate air conditioning condensers. (The air handling Units would be equipped for cooling but the condensing Units would be eliminated. Therefore the building would not have air conditioning until the condensing units were added to the system).	\$15,000
Item #14	Delete energy recovery unit providing ventilation air for Community room. Ventilation would instead be provided Via windows	\$1,000
Item #15	Replace water cooler with bottle filler to water fountain Without chilled water	\$1,000

Greg would like to put a “Donate” button on the website to be linked to PayPal in a separate bank account for donations to the capital fund. A discussion was held regarding what kind of account the “donated” monies should be deposited in and the ramifications. Greg will double check the legalities of doing this.
